Tiger Thali Tour

Welcome To India!

A land of ancient cultures and diverse wildlife, India is the premier destination to see and photograph tigers in the wild, along with other iconic Asian species such as leopards, sloth bears, dholes, elephants and over 500 species of birds!

Your journey begins when you arrive into the National Capital - New Delhi.

From there, we leave the city life behind, as we immerse ourselves in the vast and mysterious Indian Jungles in search of tigers and other wildlife.

Tadoba, Bandhavgargh & Kanha National Parks are known for their dense tiger populations, as well as their breathtaking landscapes. Tadoba's red soil, bamboo forests and lakes make for some incredible photo opportunities. Bandhavgarh's terrain ranges from grasslands to rocky outcrops and boulders, an ancient temple statue and rivers. Kanha is known for its rolling grasslands and deep forests. All parks have stunning scenery to make beautiful and unique wildlife images in.

We then make our way back to New Delhi and on our last day we have a guided tour of one of the Seven Wonders of the World, the glorious Taj Mahal.

After the Taj Mahal, we go home with memories to last a lifetime!
