ATLAS
WILD
EXPERIENCES

BE CURIOUS + BE CONNECTED + BE IN AWE

Welcome To Kanha!

A land of ancient cultures and diverse wildlife, Kanha is one of the most beautiful places to see and photograph tigers in the wild, along with other iconic Asian species such as leopards, sloth bears, dholes, Barasingha and over 500 species of birds!

Your journey begins when you arrive into Jabalpur where your transfers will pick you up at the airport!

From there, we leave the city life behind, as we immerse ourselves in the vast and mysterious Indian Jungles in search of tigers and other wildlife.

Kanha National Park is known for its dense tiger population, as well as its breathtaking landscapes. Kanha's terrain ranges from grasslands to clumps of Sal trees and bamboo forests and rivers, all stunning settings to make beautiful and unique wildlife images in.

Get ready for a trip of a lifetime and prepare to make memories that last a lifetime!

KANHA
NATIONAL PARK

Kanha National Park

This park is famed for its high density of tiger population, sloth bears, leopards and a plethora of herbivore species including the Barasingha! Kanha is the only place in the world where we can see Barasingha (Swamp Deer) living on hard ground!

Kanha offers ample opportunities to view and photograph tigers as they patrol their territories!
