# Welcome To Tadoba!

A land of ancient cultures and diverse wildlife, Tadoba is one of the most beautiful places to see tigers in the wild, along with other iconic Asian species such as leopards, sloth bears, dholes and over 500 species of birds!

Your journey begins when you arrive into Nagpur where your transfers will pick you up at the airport!

From there, we leave the city life behind, as we immerse ourselves in the vast and mysterious Indian Jungles in search of tigers and other wildlife.

Tadoba National Park is known for its dense tiger population, as well as its breathtaking landscapes. Tadoba's terrain ranges from grasslands to clumps of bamboo forests and lakes, all stunning settings to have beautiful sightings of birds and mammals!

Get ready to make memories that last a lifetime!

## NATIONAL PARK

## Tadoba National Park

Tadoba is one of the oldest and largest national parks in Maharashtra. This park is famed for its high density of tiger population, sloth bears, leopards and a plethora of herbivore species! Established in 1955, it is one of the most popular tiger safari destinations in the world!

Tadoba offers ample opportunities to view tigers as they patrol their territories, laze around waterholes and maybe even hunt!
